Highlights

1400 Watt Motor

1400 Watt motor for high performance

PowerCyclone 5 Technology

The PowerCyclone technology delivers best cleaning results in one go through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

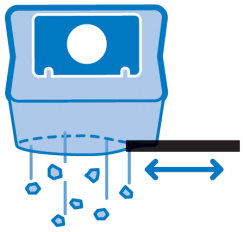
Crevice tool and small nozzle

Small nozzle and crevice tool help you to clean your furniture.

DiamondFlex Nozzle

A nozzle rotates 180° for easy reach in corners and around objects.

Easy to clean filter



Washable foam filter for life-long performance.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

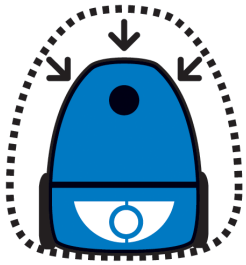
Easy Carrying

Extra handle for easy carrying.

Light weight and compact

You can easily carry and roll the vacuum cleaner around when cleaning thanks to its light weight and small size.

Small in size



Thanks to its small size the appliance can easily be stored, saving valuable space.
